LONDON HOXTON

**PANORAMIC SKYLINE
VIEWS FOR MEETINGS
AND EVENTS IN THE
HEART OF THE CITY**

A HOTEL IDEAL FOR MEETINGS UP TO 160 AND UNIQUE SOCIAL EVENTS UP TO 300

A bold and creative hotel designed to accommodate all your event requirements.

Be Bold. Be Creative. Be Original.

The perfect space

art'otel London Hoxton has 10 flexible Creative Rooms totalling 460sqm on the 24th floor for meetings, events, social occasions and private dining.

Auditorium

Our lower ground floor is home to an impressive 60-seat auditorium for private screenings, presentations and launch events.

Dedicated Art Gallery

The 135sqm Art Gallery features ever-evolving curated works by our Signature Artist D*Face and is the perfect backdrop for drinks receptions and private functions, with full AV capabilities. For a more intimate event, a further Creative Studio of 29sqm is available.

Take a break

Dedicated breakout spaces for delegates offer time out for networking and recharging.

Dining options

Our restaurants and bars on the Ground Floor and 25th Floor can also be used for private events and functions.

AUDITORIUM

Our 60 seat state-of-the-art screening room is designed to deliver an unforgettable experience that blends cutting-edge technology with unparalleled entertainment, accessed through our Art Gallery with eye-catching works curated by our Signature Artist D*Face.

Features that set us apart:

High-Definition Projection: Immerse your audience in stunning visuals with our high-definition projector.

Big Screen Brilliance: Make a powerful impact with presentations that pop! Our expansive big screen provides the canvas you need to convey your message with clarity.

Immersive Sound by Monitor Audio: Sound is the heartbeat of any event. Our space boasts Monitor Audio's cutting-edge technology, enveloping your audience in crystal-clear audio.

360° Pan-Tilt-Zoom Camera: This state-of-the-art camera technology guarantees that remote attendees feel fully integrated, allowing you to connect with your audience worldwide.

Touch Panel Controls: Take command of your event effortlessly with our intuitive system for lighting, audio and visuals, all at your fingertips.

Why choose our auditorium?

- **Versatility:** adaptable to a wide range of occasions, from corporate meetings and conferences to product launches and social gatherings.
- **Tech Savvy:** the latest cutting-edge technology, so you can focus on delivering an incredible event experience.
- **Professional Support:** a dedicated team of experts to ensure every aspect of your event is flawless, from setup to execution.
- **Unforgettable Moments:** create unforgettable dynamic experiences that resonate long after your event ends.
